

# Who is a good landlord?

Last Modified on 21/11/2018 11:49 am GMT

There are lots of good landlords in Leeds.

First - [Visit Rate Your Landlord](#) - a review site where students are honest about their landlord and the property itself.

Second - rent with a Code of Standards Landlord who have agreed to standards above the minimum legal requirements - any problems and you can put in a complaint. [See who has signed up](#) and check out what [complaints have been made](#) .

Third - check out the Housing Fair held in LUU in January. This brings together landlords and agencies in Leeds that we would recommend. [Find out when the next one is on here](#).

Don't forget to get your contract checked at LUU Advice for independent help about your landlord and what you are signing up to.
