

# Can I apply for mitigating circumstances because my teaching was affected by the strikes?

Last Modified on 22/11/2021 10:10 am GMT

The impact of strikes on teaching will not be accepted as a reason for mitigating circumstances as a single issue.

If you have had an existing issue that was previously reported which was exacerbated by the strikes, please contact your Parent School to let them know about the changes.

If you are unsure of your circumstances please contact LUU Advice for more information.
