

# Does LUU provide insurance for my trip?

Last Modified on 23/08/2021 8:13 am BST

The only insurance LUU offers is Public Liability insurance. This means that we can protect societies if something happens during the course of their activity - for instance, if Hockey were playing a game and someone was injured, our insurance would protect them if someone wanted to sue.

If you are going abroad, you can easily find cheap insurance with sites like [GoCompare](#) and [Compare the Market](#). It is important to have travel insurance if you are going on a trip abroad, as this will leave you covered should something go wrong.
