

I didn't get insurance for my trip, can I get my money back?

Last Modified on 26/03/2020 12:38 pm GMT

Unfortunately, if you did not get insurance then you will not get your money back. LUU does not provide travel insurance, so please make sure that you always look into getting insurance when you are going away (with a society or not).

LUU is unable to refund any losses at this time.
